## 1 Introduction

These Release Notes provide an overview of FirstClass Client 12.122, including new features, delivery information, and supported platforms. OpenText recommends that you read these Release Notes in conjunction with the documentation included with the software package. If any conflicts exist, the Release Notes supersede the other documentation.

We also recommend that you check the OpenText Knowledge Center (<https://knowledge.opentext.com/>) for any patches or documentation updates that may have been posted after the initial release of FirstClass Client 12.122.

### 1.1 Release Notes Revision History

Revision Date	Sections Revised	Description of Revisions
2015-02-23	First release.	All new content.
2015-09-30	Fixed Issues Known Issues	Updated Client Fixes/Known Issues.

## 2 About FirstClass Client

The FirstClass client is the graphical front-end software to connect to FirstClass servers. It is designed for use with FirstClass 12.1 SP1 and has the trusted communication and collaboration functions of previous FirstClass Client products.

### 2.1 New Features

FirstClass Client 12.122 includes the following new features.

#### 2.1.1 Fixes (See Fixed Issues Section of this document)

## 3 Packaging and Documentation

Downloads and documentation for FirstClass Client are available on the OpenText Knowledge Center (<https://knowledge.opentext.com/>).

### 3.1 Packaging and Delivery Information

The software and documentation for FirstClass Client includes:

- FC12122Client.dmg
- FCC12122.msi
- FirstClass Client 12.1 SP1 Install Guide.pdf

## 3.2 Related Documentation

For additional information about FirstClass Client, or for supplemental information about related products, refer to the following documents, which are available on the OpenText Knowledge Center (<https://knowledge.opentext.com/>).

- FirstClass Client 12.1 SP1 Install Guide

## 4 Supported Environments and Compatibility

This section provides details about supported platforms, systems, and versions.

### 4.1 Supported Systems

Operating Systems:

- Windows XP
- Windows Server 2008
- Windows 7
- Windows 8
- Windows 10
- Windows Server 2012
- MAC OS 10.7.x
- MAC OS 10.8.x
- MAC OS 10.9.x
- MAC OS 10.10.x

### 4.2 Language Support

FirstClass Client is currently localized in the following languages. Future releases may add additional languages.

Component	Languages										
	EN	DA	DE	ES	FI	FR	IT	JA	NL	SV	NO

Component	Languages										
FirstClass Web Services	B	B	B	B	B	B	B	B	B	B	B

UI = user interface only

B = both user interface and online help

## 5 Installation and Upgrade Notes

This section provides additional installation and upgrade information, including related or third-party product information and any required critical patches.

### 5.1 Installation Notes

Before you install FirstClass Client, review these additional installation notes and verify related product or third-party product requirements.

- OpenText recommends that the version of the FirstClass Server the client is logging into be at least 12.1

### 5.2 Upgrade Notes

Before you upgrade, review these instructions.

- FirstClass Client 12.1 SP1 Install Guide
